Ref. Memo No. PEL/PROJECT- 01/2010/CHAIR

Date : 10th August 2010

TO WHOM IT MAY CONCERN

This is to certify that Concord Pragatee Consortium Ltd. (CPCL) has successfully carried on the contract of Engineering, Procurement and Construction (EPC) of Ashuganj 55 MW Power Plant in B.Baria on Turn Key basis.

CPCL has completed the Project in time. They have done the job with due diligence to our satisfaction. The Plant is fully operational and running smoothly till date.

The salient features of the Project are given below :

- Plant Capacity : 60 MW
- Engine Gensets : 15 nos. x4.0MW, 1000 RPM
- Origin of Plant : MWM (Duetz), Germany
(Brand New M/Cs)
- Substation : 2 nos. x11/132KV, 45MVA, 50 Hz
- Contact Period : May 2009 upto February 2010
- Commissioning : March – 2010
- Project Cost : BDT 300 Crore
- Commercial Operation Date: 07 April, 2010

CPCL is managed by well qualified and efficient engineering, technical and management team. They are also equipped with all necessary Tools. It is also to be mentioned that they are financially sound to take up any Project of this size.

We, Precision Energy Limited, are very pleased with CPCL Performance and wish them success in all their upcoming Projects.
